AMICI CAMPING CHARITY
New Camper Reference Contact #1
Letter of Support and Follow-up Interview

You have been asked to write a letter of support to help a child receive financial support from Amici Camping Charity to attend summer camp.

Who is Amici Camping Charity?

We strongly believe that camping contributes to the social, physical and spiritual development of youth.

Amici sponsors children at 44 Ontario Camps Association (www.ontariocamps.ca) accredited overnight summer camps throughout Ontario. We ask that each new child who applies to Amici for financial assistance submit contact information for two references with his or her application.

An Amici-sponsored camper is a child:

- a) whose family doesn't have the financial means, in whole or in part, to provide their child with an overnight summer camp experience;
- b) who would take something positive away from an overnight camp experience, and who would contribute to their school and/or camp community as a result of this experience;
- c) who has limited avenues through which they can develop the social skills, life skills, and support network (i.e. role models) that we associate with a camping experience.

Letter of Support and Phone Interview

Keeping the above camper profile in mind, the letter of support should outline how you think the child would benefit from a summer camp experience and, where possible, your understanding of the family's need for financial support for the child to attend summer camp.

An Amici staff or volunteer will reach out to you for a short follow-up interview. Please indicate below the best way for us to contact you.

Thank you for taking the time to review this form and to write the letter of support. Please feel free to contact us at (416) 588-8026, or visit our website (www.amicharity.org) if you would like more information about our organization.
