

Camp. It's in you for life.

## AMICI CAMPING CHARITY New Camper Reference Contact Form

You have been asked to act as a reference to help a child or youth receive financial support from Amici Camping Charity to attend overnight summer camp.

### **Amici Camping Charity**

Amici sponsors children and youth from lower-income households to attend one of our 45 partner camps on a multi-year basis.

We strongly believe that overnight camp contributes to the social, physical and emotional development and wellbeing of children and youth.

We ask that each new applicant to Amici submit references with their application.

References can help Amici find the best camp for each applicant, be aware of any particular needs and confirm eligibility.

To learn more about Amici Camping Charity and our program visit our website at [www.amicicharity.org](http://www.amicicharity.org).

### **Phone Interview**

Referees may be contacted by an Amici staff or volunteer for a short interview. Please provide contact details and information about the best times/ways to contact you below.

We also request that one referee per applicant also include a **Letter of Support**. If you have been asked to include this, the letter of support should outline how you think the child would benefit from a summer camp experience and, where possible, your understanding of the family's need for financial support for the child or youth to attend summer camp.

Thank you for your support of this application and applicant.

Please feel free to contact Amici's Program Manager, Jodie Adams at [jodie@amicicharity.org](mailto:jodie@amicicharity.org) if you would like more information about our organization.
